

GroupLink - Sunday, January 29

GroupLink is a no pressure opportunity to explore the different groups offered at West Ridge. Groups are a subset of the church body usually between 6-20 people that meet in homes, restaurants, coffee shops, church, or any location that is convenient for the attendees. They seek to love God, grow in God, serve God, and share God together as a group.

At GroupLink, you will have the opportunity to eat lunch and connect with the leaders of our adult groups. We don't place you in a group — you choose your own!

- Cartersville - 1pm *(Lunch Provided)*
